PRESS RELEASE

TWELVE YEARS OF YOUR LIFE

Twelve years of your life goes on watching television. It shapes how you live and what you think. As Christians, we need to think through how it's influencing us – and how we can use it positively.

'Facing the Challenge of Television' is a new course for home groups and cell groups, from Focus Radio. In eight fifty minute sessions, it covers:

- Creating our world
- Stealing our lives
- Causing 'Truth Decay'
- Distorting reality
- Junk food for the soul
- Pollution for the imagination
- Fuel for our prayers
- Points of contact for the Good News

The course is available as a digital download from
