MOMENTUM GROWING FOR MIKE FROST TOUR

Momentum is beginning to build for October's tour of the UK by Mike Frost, hosted by Focus and the Evangelical Alliance. Australian Mike Frost, one of the leading thinkers on the emerging Church, is an inspirational and provocative speaker, and is the author of several books, including 'Exiles: living missionally in a post-Christian culture,' and 'The Shaping of things to Come: innovation and mission for the 21st-century Church,' (with Alan Hirsch). He heads up the Centre for Evangelism and Global Mission at Morling College in Sydney.

Between October 3rd and 11th, Frost will be speaking at London School of Theology, London Institute of Contemporary Christianity, CMS in Oxford, Central Hall Southampton, and in Bristol. The latest information about his itinerary can be found at www.facingthechallenge.org/mftour.php

Focus has recently released a promotional video for the tour. This can be viewed on Youtube (<http://www.youtube.com/watch?v=ENIrVidARRY>). DVDs of the video, and other promotional materials, are available free of charge from Focus.
